Application

Question List

Fields with an asterisk (*) are required.

Project Title*

Please limit your Project Title to 100 characters.

IEEE Member Number*

If you are not a current member, please put N/A.

IEEE Region (select one)*

Entity Type*

What IEEE entity is leading this project?

If "Other" Entity Type, please describe**Entity Name***

For your entity name, please use the following examples as a guide: Wisconsin University of Milwaukee SB; Gamma Upsilon Chapter; Katholieke Universiteit Leuven WIE SB Affinity Group

Non-Profit Organization/Non-Governmental Organization Name*

This is the organization your IEEE entity is working with to solve the community problem.

Approximate number of total university students (undergrad & graduate) directly involved in project?***Approximate # of university students(undergrad & graduate) identifying as women directly involved?*****Total number of people impacted/benefactors of the proposed project*****Total Number of IEEE Volunteers (not including student members)*****Requested Funds (USD)***

Enter the amount of the grant you are requesting from EPICS in IEEE (in US dollars). Grant range are typically between \$500 and \$10,000.

Project Category*

Please select one or more categories.

- Access & Abilities
- Education & Outreach
- Human Services
- Environment

Project Location (Select one country only)*

Problem Statement*

Please provide the problem statement that your project is trying to solve.

1,000 characters left of 1,000

Project Description*

Please provide a brief description of your technical solution or approach to solving the problem.

B *i* U    

10,000 characters left of 10,000

Project Inputs*

Please describe the necessary resources or materials to complete your project (such as personnel, physical materials or software).

B *i* U    

2,000 characters left of 2,000

Project Activities and Outputs*

Please describe your steps your project will follow and any deliverables you will design, create, or deploy.

B *i* U    

2,000 characters left of 2,000

Project Duration*

Please provide the number of months to complete the project.

Project Maintenance and Sustainability*

Please describe how the project will be maintained after completion and who will be responsible for the maintenance. Please include the expected lifespan after project delivery.

B *i* U    

2,000 characters left of 2,000

Project Impact*

Describe how you will assess if the project was a success. Estimate the number of people that will benefit from the project. Where applicable, provide geographic areas, gender, age group, etc.

1,000 characters left of 1,000

Supplemental Files

Please upload your detailed budget file here, along with any other important documents such as design descriptions or flow diagrams.

Project Budget*

Upload a file [1 MiB allowed]

Project Budget Justification*

Explain the need for the items listed as "Expenses" in your Project Budget.

Preliminary technical documentation

Upload a file [6 MiB allowed]

Additional File 2 (Optional)

Examples:

Supporting documents

Preliminary technical documentation

Upload a file [5 MiB allowed]

∨ Collaborators

NPO/NGO Full Address*

300 characters left of 300

NPO/NGO Point of Contact Name*

NPO/NGO Point of Contact Email*

NPO/NGO Point of Contact Telephone (Optional)**Mission***

What is the mission of the non-profit/NGO and how does the proposed project support this mission?

1,000 characters left of 1,000

Support letter from NGO (Optional)

The support letter should show how the NGO will be involved in the project and the plan for sustainability. Please upload via the file upload area below.

[2 MiB allowed]

Are you working with a high school?*

- Yes
 No

Project Team**Project Leader: First Name*****Project Leader: Last Name*****Project Leader: Email Address*****Project Leader: Telephone Number*****Is the Project Leader a member of IEEE?***

- Yes
 No

Is there a second member of the team?*

- Yes
 No

Where did you hear about EPICS in IEEE?*

1,000 characters left of 1,000

Declaration, Certification and Authorization

By submitting this Grant Application to EPICS in IEEE, I agree that if I am awarded a grant I will submit progress reports every 3 months on technical plans/progress, financial information, student demographics and outcomes, as required.

Declaration*

Please check the box below if you accept the agreement.
